

PRESS RELEASE FOR STAR DIVING CLUB – 3rd June 2009

ASA SE Regional Age Group B Results

The Star Diving Club based at the Spectrum in Guildford, was represented at the ASA South-East Regional Age Group B Competition in Southampton at the weekend by three of their best junior divers. This event brings together talented divers in the region as a qualifier for the National competition in July.

The standard of diving was excellent and the competition was fierce. The Star team of Connor Gardner, Kirsty McMahon and Madeline Parker performed and scored well and were unlucky not to make it onto the medal podium in both the 1m and 3m springboard events.

Jo Hewat, Head Coach for Star commented, "The team performance was fantastic. It was a shame we didn't bring home any medals but I am proud of Connor, Kirsty and Maddie for their superb effort. You have to remember that this is a very high level of competition so to qualify was an amazing achievement in the first place."
