

Star Diving Picnic & Pool Party

13th June 2009

On Saturday 13th June 2009 the club held it's annual Picnic and Pool party. It was a fantastic day with the divers and their families and friends having a wonderful time.

The day started with team games at Stoke Park followed by pool games at the Spectrum. The emphasis was about having fun and for the divers to get to know divers from other classes. The divers were divided into four teams and won points during the afternoon's games both in and out of the pool. The final result was:

1 st	Green
2 nd	Red
3 rd	Yellow
4 th	Blue

If you would like to be more involved with the club or there is anything you would like to know the please have a chat with one of the committee members - we are always looking for volunteers!

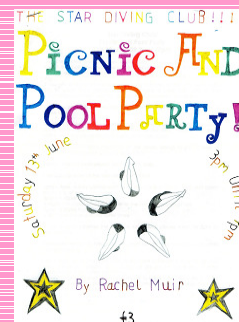

Thank you to everyone who helped in organising the event and making it such a brilliant day and to everyone who came and made the day so much fun.

The Committee

Fundraising Update

Earlier in the year Jo Hewat, the Head Coach at Star Diving, identified that the club and its members would benefit from the use of a video training software called Dartfish. This software enables the divers to immediately see how their dive looks and therefore makes it easier for them to understand the corrections and adjustments they need to make.

To purchase all the equipment needed we have to raise about £2000. So far we had won a grant from Surrey Youth Opportunities for £1000 and raised £187 at the club competition.

At the Picnic and Pool Party we raised a staggering £589 from the sale of programmes and raffle tickets. A BIG thank you to everyone for your kind support.

This means that to reach our target we only need to raise another £224!

Thank you!

Farewell

It is with great sadness that after many years of involvement within the club we will be saying goodbye to Coach Neil Mitchell at the end of the summer term. Neil has been involved in the club as a parent, a diver and an excellent coach. Without Neil's support and many voluntary coaching hours many of the clubs divers would not have had the opportunity to reach their full potential. Neil has travelled to many competitions and has been such a support to the divers at these events.

One of Neil's highlights as a diver was to win 2008 Surrey County 1m competition; he was even awarded 10's!!!!

We all wish Neil all the best for the future. We look forward to you returning to the club as a special guest at Star's club competition.

Fun in the park...

...and in the Pool
